Dear Counsel,

I am in need of your legal assistance regarding a breach of loan agreement I provided a friend of mine in the amount of \$750,000. He needed this loan to complete an ongoing project he was handling in January 2011. He now resides in your jurisdiction and the loan was for 24 months with interest accrued at the rate of 8.5%. The capital and interest were supposed to be paid on January, 2013 but he has only paid \$50,000. Please let me know if this falls within the scope of your practice, so that I can provide you with the loan documents and any further information you need to know.

Thanks,
Margaret Brockman.
