Subject: Gill Gilbert issue

Dear xxxxx,

This is in regard to my issue with your client Gill Gilbert which you are already aware of. He sent me your contact to deal with you as his counsel. I've tried every effort lately to settle this matter with him but he's too bitter to speak with me which I understand. I'm currently out of the country on holidays with my family but I will call you on later today or tomorrow. I have made arrangement to make part payment based on the terms of our agreement, sometime this week. The balance would be paid when I get back. I hope this matter can be resolved without litigation.

Please relate this to your client and I am sincerely sorry for the hardship this might have caused your client.

Sincerely,

Owen Mason
