Attn:Counsel,

We acknowledge receipt of your mail and content well understood. We have been authoritatively informed by the broker to CANADIAN TIRE CORPORATION LIMITED, about their resolve to make part-payment, after we informed them about the legal action we are seeking to collect the funds. However, it is our resolve that we retain your firm. Therefore, we have reached a conclusion that it would be in our best interest the initial \$5,500 be deducted from the first installment. if this is acceptable by your firm, we will await your urgent response so as to instruct the broker whose information will be sent to you in our next email correspondence.

Sincerely,
Mr. Xu Gang
