Dear counsel,

I am contacting you in regards to a breach of business loan agreement with a client in your locality. I provided a loan to the company so that they can meet up with their management and operational obligation . I provided the company with an emergency loan of \$508,910.00 with a term of 24 months and fixed interest rate of 6.0%. The repayment period has since elapsed but the company has been unable to finalize the repayment of the loan and have only paid \$85,000.00 till date. Let me know if this falls under the scope of your practice so that I can provide you with more information on this matter.if not kindly refer me.

Best Regards

Ray Richard Zoltan.
