

PAYMENT NOTICE

OFFICE OF OWEN MASON

ATTN-

A large black rectangular redaction box covers the majority of the page's content, starting below the 'ATTN-' label and extending down to the beginning of the first paragraph.

Please accept this as a part payment regarding the loan money owed to your client Gill Gilbert. It is my hope that we can resolve this issue without litigation. I experienced some economic downturn just like a lot of businesses, which explains why I have not been able to settle the debt. I would be very grateful if we can settle this matter without going to court.

As proof that I am serious about payment and settling this matter, I have enclosed a Bank Draft for \$288,000.00 as part payment of the loan and will make sure I get the remainder of the balance to you as soon as possible. I arrived the US a few days ago to attend the finale closing sale of my property and I promised after the sales I would be able to pay the balance and the interest on the loan.

I got a message from Mr. Gilbert that he doesn't want to communicate with me anymore that I should deal with you directly and that he has contacted you and you where filing a case against me in court. Please I intend to pay up the money and will initiate the payment of the remaining balance upon my return.

I apologies for any inconvenience I might have caused her and am very sorry for the delays. You can reach me at your convenience through my email at owenmason525@yahoo.com

Yours sincerely,
Owen Mason
