Dear Sir or Madam:

Our law firm is in the process of updating our records and, pursuant to the regulations of the Law Society of British Columbia and the *Legal Profession Act*, a lawyer who opens or maintains a pooled trust account must direct the savings institution to remit the interest earned on the pooled trust account, net of service charges if any, to the Law Foundation of British Columbia (Foundation).

Interest rate agreements on pooled trust accounts are negotiated between the Foundation and senior executives at your financial institution. At the branch level it may not be readily apparent that the interest is being calculated and remitted to the Foundation as, in some instances, this process may be performed at a central administration branch.

As we are updating our records for audit purposes, we require written confirmation that interest **is** being calculated on the pooled trust account **and** that this interest is being remitted to the Foundation as required. If you are unable to confirm this is being done at the branch level, please contact your central administration branch for verification.

TO BE COMPLETED BY FINANCIAL INSTITUTION

We hereby acknowledge and confirm that the interest is being calculated on the above-noted pooled trust account and that the interest earned has been, and is being, paid to the Law Foundation of British Columbia.
