Investigative Expertise and Additional Skills

During Sean's career he was chosen by members of the senior executive team to deliver inspirational leadership and training to 5 regional managers and 300 staff in the management of the security & investigations business in Western Canada for a national organization with annual revenues of \$60M.

Sean was intimately involved in managing all aspects of the operation, to include strategic & tactical planning, corporate acquisition, new business development, continuous improvement, staff training & development, budgeting, and project management.

Sean oversaw the day-to-day operations of a \$10M business unit servicing the corporate and insurance sectors in Canada. Specialized in directing resources to mitigate risk associated with insurance fraud, labour disputes, corporate investigations, high-risk terminations, & M&A due diligence etc.

Sean has worked actively as an Investigator for the past 22 years. Early in Sean's career he worked for several investigation firms before creating his own firm in 2004 called Taillight Investigative Services Inc. In 2005 Sean Côté purchased Cox Investigations Inc. Steve Cox President of Cox Investigations Inc had been providing investigative services for over the past 25 years. Following the purchase of Cox Investigations Inc, the company came to be known as "Cox & Côté Investigative Services Inc.

Sean owned and operated Cox & Côté Investigative Services Inc from Nov 2005 till March 2008. In March 2008 a larger investigations company called FIC or Forensic Investigations Canada Inc. purchased from Sean Côté , Cox & Côté Investigative Services Inc. FIC didn't have any BC market presence at the time and with the purchase of Cox & Côté , FIC was Canada's 1st National Investigations firm. Sean remained with FIC from March of 2008 till Sept of 2015 where he served as Vice President of Western Canada.

Sean has traveled internationally and conducted an investigation that took place in real-time (no idea where the subject was going) to 3 separate European countries over the course of a week, which led to, and successfully contributed to the \$10M claim settling.

Sean is an expert Investigator highly experienced in many disciplines and specializes in surveillance, surveillance equipment and technologies as well as video evidence; Sean has testified on several occasions and has worked on some of the higher profile Insurance cases in BC.
