**ROBERT ROBINSON**

(Kamloops)

Called to the Bar: July 30, 1949

In 1975, when he was a partner in the firm of Robinson, Morelli & Company in Kamloops, Mr. Robinson was a shareholder in and director of Waverley Park Estates and Thompson Park Developments.

He permitted his firm to act on behalf of purchasers of land from these two companies contrary to the obligation of a solicitor not to act whenever there is a conflict between his personal interest and his duty to his client thereby causing prejudice to the purchasers.
